## SPEAKER

Originally from Virginia Beach, VA, Jennifer lived in Memphis, TN, for eleven years before returning to the East Coast in 2002 to be closer to her family. She is a founding member of Love Center Church in Severn, MD, which celebrated its one-year anniversary in December 2018. Jennifer loves helping people see beyond religion to God's desire for a real relationship with them. She enjoys sharing His love through kind words, intercessory prayer, and speaking truth in a loving, but convicting, manner. She is always amazed and grateful when she sees how the Lord has used her to accomplish His purposes on the earth.
